1. INTRODUCTION

Wesnet Technology Ltd is a voice, data and security solutions firm formed in the year 2013 and incorporated in the year 2015 by founders who have considerable experience in the business. **WESNET** has and intends to provide voice, data and security solutions that are reliable, efficient and cost effective.

2. COMPANY PROFILE:

Our company strategy focuses on the communication, networking and security needs of small, medium sized and large enterprises. Within the market our objective is that every client will have return on investment with each individual in our team taking responsibility for the success of the business.

3. OUR SOLUTIONS IN DETAILS:

Supply, installation, repair, maintenance and servicing of:

- CCTV equipment (IP and analogue HD CCTV systems) including LIFT cameras
- Access control & Time attendance equipment (card readers and biometrics)
- Electric Fence & Razor wire
- Clearview mesh & Chain-link fencing
- MATV & SMATV installations
- Projectors and Projector screens
- Telephony systems (PABX, Audio & video Intercoms)
- Structured Cabling & Fibre backbone
- Wireless internet Fidelity (Wi-Fi) & Point to Point (P2P) Equipment
- Computers / Laptops & Printers

4. **IMPLEMENTATION OVERVIEW:**

Ours is a business relationship and as such we have earned our respect for providing the above solutions as per our promise to our customers and not only intend to maintain the good relationship but develop new ones. We aim to do this by;

- **Reliability:** Ensuring that our services and technology platforms are available 24 hours a day, 365 days a year
- **Innovative** Leveraging experience, industry knowledge and Technology to create cost effective and innovative Solutions.
- **Support:** High response time to reduce down time and ensure that Our clients leverage the maximum value from their money.
- **Performance:** Delivering best results with quality work and on time.

5. **OUR VISION:**

To provide our clients with reliable and timely solutions without compromising the quality on products and work.

6. **OUR MISSION:**

To provide reliable and efficient means of communications, data transmission and secure premises.

7. **SERVICE DELIVERY:**

Wesnet Technology Ltd guarantees prompt response on all onsite services done within & outside Nairobi. Customer service is prompt and available 24 hrs.

8. OUR AIM

Wesnet Technology Ltd aims at delivering services within the agreed timelines with our clients and being true to our word.
